PRELIMINARY & FINAL REGISTRATION

No entry forms will be available for registering to this event. The registration process should be done using the World Archery Online Registration System (WAREOS).

The number of athletes that may be entered by a Member Association is limited to four (4) in each category. All World Archery MA's are eligible to compete in European Youth Cup competitions, but only the results of the athletes from World Archery Europe MA's will be taken in consideration for the Youth Cup Circuit.

To use WAREOS, please enter this address in your internet browser - <http://register.worldarchery.org> and use the Username and Password that World Archery has assigned to your Member Association. After entering the WAREOS, please go to 'Online Registration' and register your archers for this event. Pay attention: the date of birth is mandatory.

A "WAREOS User Manual" can be downloaded in PDF format from the same website.

For any question regarding WAREOS, please contact Mr. Matteo Pisani at matteo@pisani.eu.

Starting date of online-registration with WAREOS is:	1 February 2017
End of Preliminary registration:	10 April 2017
End of Final registration:	19 June 2017

Please pay attention to the stated deadlines. After passing the deadlines, MAs would not be able to enter or update their data in WAREOS anymore, as the system will be blocked. In this case, if any MA would like to change or proceed with the Final Registration process or change their Final entry, it is required to contact Mr. Matteo Pisani at email: matteo@pisani.eu with a copy to Organizing Committee email: archery@archery.hr.

The Member Associations that will enter in WAREOS after **19 June 2017** (Final Registration deadline) will pay a penalty of € 100 per athlete to be paid to the OC on arrival for the tournament.

The Member Association with Final registration in WAREOS that will differ by more than **4** athletes from the preliminary registration, will have a penalty fee of € 100 to be paid to the OC upon arrival at the event.

A Member Association that has made Final entry in WAREOS and does not participate will be invoiced for the number of entries entered in the system, unless the Member Association has informed the OC and Matteo Pisani in writing at least one week prior to the event that they are unable to attend.

Only after having paid the penalty fees to the OC, a Member Association can register the athletes in order to participate in the competition.

Since entries will be made through WAREOS only, MA's declare that their athletes and officials are aware of the participation waiver and anti-doping agreement, and we recommend MA's to advise their athletes on this matter. However, accepting the conditions of the athlete participation waiver and anti-doping agreement are an eligibility requirement to participate in the event.

As a final note, only member Associations in good standing will be eligible to compete. This means that World Archery fee 2017 must have been paid prior to participation.
